### Extended Care Newsletter

Dear Families,

I will be joining the St. Ignatius School as your Extended Care coordinator. I've been working with children for ten years and have worked as an Extended Care teacher here at St. Ignatius, taught Spanish and pre-K in the last four years since graduating from the University of Oregon. I'm so excited to rejoin St. Ignatius School and be part of such an amazing team of teachers and staff and continue to work with students in a really fun environment like Extended Care.

Our goal for Extended Care is that students engage in fun activities and continue their learning in play. We will have various activities and set up in the afternoons according to our themes and clubs. We will also offer homework help, a healthy snack and plenty of time to play in the gym or play outside when the weather permits.

This year we will have a ball in Extended Care and introduce clubs. Our clubs will last 5-6 weeks and will include activities all students who attend Extended Care can join if they want to. I will start off with Spanish. I'm a native speaker and I want to share the gift of knowing another language, starting with simple vocabulary, songs and games. I picture future clubs to include Cooking, Get up and Move, Crafting, Gardening and more! We will have a blast and I am so excited to start the school year.

Our Extended Care program will be the place students to learn and play with friends in a relaxed and safe environment. We hope that our students look forward to our themes and clubs and continue to enjoy their afternoons with other peers.

Please contact us with further questions or comments. I'm delighted to get to know our new families and catch up with our returning ones.

Sincerely,

Samantha Ramirez

## St. Ignatius School Extended Care Registration

**2018-2019 School Year, due to the school office 8/29/18**

Family Name: \_\_\_\_\_

Child's Name: \_\_\_\_\_ Grade: \_\_\_\_\_
