## 2019-2020 Walking/Biking Permission Form

Because we are concerned with the safety of your children, we would like the parent of every child who walks or bikes home to fill out the form below, sign it, and return it to school by September 3, 2019. This form allows your child to walk or bike home without adult supervision. Please encourage your child to walk or bike with a friend. For the safety of all, students must be picked up at the carline. Students who are released to walk need to head to their after school destination immediately. Students may not be unsupervised on the parish or school campus after school.

If we do not have this form on file, we will keep your child(ren) here at school in extended care until you pick them up. Thank you.
