

PARENT WORK PARTY!

SATURDAY, August 25th @ 7:30AM—12:00PM

Bring your shovel, rake and broom! Help to make our campus beautiful for the first day of school. There will be new material to be spread in the play structure area, weeds to be pulled and sweeping to be done. There will be a crew inside replacing light bulbs and ballasts. We also need a team unpacking new math textbooks

DEPAVE PROJECT BEGINNING!!!

Part of the work day will be the first stage of the St. Ignatius pollution barricade. St. Ignatius was awarded a grant from East Multnomah Soil & Water Conservation District to depave park of the parking lot closest to Powell Blvd. and plant some native vines to create a pollution barrier. Crews are needed to help rip up the asphalt, break it down, and prep the soil for the vines. This is a large project, many volunteers are needed, especially volunteers with trucks and experience with power tools.

This event is a great opportunity to get a head start on your yearly fair share commitment. RSVP to the school office and say you will join us, school@sipdx.org.
