

STUDENT EMERGENCY KIT

Dear Parents,

Before school starts you will need to create your child's emergency pack that we will keep on hand in case students must remain at school for a prolonged period of time. Each classroom has an emergency backpack that contains these items for each student, as well as general emergency supplies for the class as a whole. Please send the following items to your child's teacher on the first day of school in a sealed large Ziploc bag.

- ◆ Completed emergency information card (enclosed)
- ◆ 2 individual size sealed bags of jerky or beef sticks
- ◆ 5 individually wrapped hand wipes
- ◆ 1 pocket size pack of tissues
- ◆ 2 granola bars or similar snack
- ◆ 4 candy suckers
- ◆ 1 packaged emergency blanket, approx. 53"x82", in the camping supply section

Please be sure to attach a family photo to the emergency information card, this photo will assist us in releasing your child to you after an emergency if he/she is with a staff member who does not know your family.

Please note: We must have an emergency kit for every child. Please don't assume that supplies sent by others will support your child. Please limit the items you send to only the items/quantities listed above.

Thank you for your support!
