Dear St. Ignatius Families,

The function of education is to teach one to think intensively and to think critically. Intelligence plus character - that is the goal of true education.

-Martin Luther King Jr.

A shout out to all of our class champions who competed in the school-wide Geography Bee last Wednesday. A hearty congratulations to Andrew Keller, grade 6, for his success as the school champion! We wish Andrew all the best as he moves on to the next level of competition.

Last week I was walking across the playground and complimented an 8th grader on her bright and beautiful headband. She smiled broadly in response and said, "I love it too! Ms. Schultheis made it for me in the first grade!" That a young teen would proudly rock a fashion forward gift from her first-grade teacher is one example of the close, unique community that thrives at St. Ignatius School. Our students are known, nurtured and loved.

We are looking for your support to help more children benefit from our community next school year. There is a direct link between our enrollment and the health of our school and programs. You and your children are our best ambassadors!

We currently have room for students across all grade levels. There are 25 spots in Kindergarten and room in the Preschool for both 3 and 4 year olds. If you know a child who would benefit from the excellent academics and spiritual formation that are the hallmarks of a St. Ignatius education, please invite them to attend our Open Houses, Sunday, Jan. 28, 12-2:30 and Thursday morning, Feb. 1, 9-10:30. Need based financial aid is available. Please contact the school office if you have questions.

Italian Dinner Help Needed!

The Italian dinner is quickly approaching. There are lots of opportunities to help out on our parishes biggest fundraiser!

- ◆ Thursday, February 15th, 7-9:00PM, setup at the parish hall.
- ◆ Friday, February 16th 9-1:00PM, meatball rolling in the cafeteria.
- ◆ Sunday, February 18th, volunteer for one of the two shifts at the dinner to work as a server, dishwasher or the clean up crew.

All hours worked at the Italian Dinner go towards completing your 30 hour fair share commitment.

Signup forms will be coming home with students soon. If parents have questions or would like to volunteer email Jo Ann Grubb, joanngrb@outlook.com.
