Welcome to St. Ignatius School!

Thank you for your interest in a St. Ignatius education for your child. Learning at St. Ignatius is extraordinary preparation for the future. The children here are known, nurtured and loved by the whole community as we focus on helping them develop their gifts and grow in faith as a child of God. We have served children and families in the traditions of the Jesuits and Sisters of the Holy Names of Jesus and Mary since 1908.

Like our Jesuit parish, the school is deeply committed to social and environmental justice and service. In addition to excellent academics that prepare each child for a college preparatory high school, our students are engaged in the arts, technology and service. St. Ignatius is fully accredited through the Western Catholic Education Association (WCEA) and the Western Association of Schools and Colleges (WASC).

Thank you for your inquiry. Please let us know if we can answer any questions. We look forward to getting to know you and your family.

Warmly –

Kelli Clark
