Dear Preschool Teacher:

We are in the process of conducting readiness assessments for the upcoming class at St. Ignatius School. One of your current students has applied to enter this class. We value your help in this process.

The back of this letter is a questionnaire regarding your student. Your experience with this child is a vital piece of our screening process. Please complete this form and return it in the enclosed envelope to your student's parent as soon as possible. Your response and input are needed before the child can be accepted into our program.

Thank you so much.

Sincerely,

Christine Dulley
Kindergarten Teacher
