

# St. Ignatius Parish School

## Return to School Plan

### 2020-2021

St. Ignatius School was, with the exception of Kindergarten and Preschool, in Comprehensive Distance Learning beginning September 8, 2021. Grade 1-8 transitioned to in person learning gradually from January 19 through March 15. Classes attended for half-days, Monday through Thursday. **As of April 12, 2021 all grades PK-8 are on campus for full days Monday through Friday.** Families who choose to stay in Comprehensive Distance Learning may do so.

**COMMUNICATION PLAN**

How will your school keep shareholders abreast of the plans for re-opening and beyond?

- Monthly Parent Outreach Meetings on third Wednesday, more often as needed
- Electronic Newsletters sent out weekly, more often as needed
- Check-in survey planned for early Sept.
- Maintain open channels of communication: at least one member of the planning committee is available to answer emails and/or phone calls during regular business hours.
- School Advisory Council Meetings (Zoom)
- Parent Association Meetings (Zoom)

## PROTOCOLS

<p>Cleaning and Hygiene</p>	<ul style="list-style-type: none"> <li>● St. Ignatius follows the published Communicable Disease Guidelines from the Oregon Health Authority and Oregon Department of Education.</li> <li>● Plans for systematic disinfection of classrooms, offices, bathrooms and activity areas.</li> <li>● Installation of touchless faucet and toilets (TBD)</li> <li>● Additional hand sanitizing stations added to each classroom and in the main hallway.</li> <li>● Establish mid-day sanitizing schedule for Day Porter</li> <li>● Installation of six temperature kiosks and hand sanitizing stations for staff and students as they enter the buildings, incl. PK.</li> <li>● Individual plastic bins with snap-on lids will have toys/learning tools for students in lower grades.</li> <li>● Daily sanitization of these toys/learning tools.</li> <li>● Regular student education of and opportunities for hand washing and hand sanitizing throughout the day.</li> </ul>
<p>Social Distancing</p>	<ul style="list-style-type: none"> <li>● Support physical distancing in all daily activities and instruction, striving to maintain at least six feet between individuals.</li> <li>● Minimize interaction between students in different stable cohorts (e.g., access to restrooms, recess, activities, common areas).</li> <li>● Create procedures and signage for making entryways, stairwells, and hallways one-way traffic patterns.</li> </ul> <p>Updated: Lunch is outside during full days with 6 feet between all students and any supervising staff.</p>
<p>Screening Protocols</p>	<ul style="list-style-type: none"> <li>● Installation of six temperature kiosks and hand sanitizing stations for staff and students as they enter the building.</li> </ul>

	<ul style="list-style-type: none"><li>● Room by the office designated as health room.</li></ul>
Personal Protective Equipment (PPE) Protocols	<ul style="list-style-type: none"><li>● Training and education for staff and students in the importance of face coverings and the appropriate use of the face coverings.</li><li>● All staff will wear face coverings when with students or other staff members.</li><li>● All students will wear face coverings when in the classrooms and within six feet of others.</li><li>● Face coverings to be provided to each staff member and student who do not have them available</li><li>● Each classroom will have additional face coverings to provide to students.</li><li>● Staff who work directly with sick or possibly COVID positive students to be provided additional protection such as eyewear, face shields, and gloves.</li></ul>

## Student Protocols

- Screening of students and staff for symptoms on entry to school every day.
- Remind students through signage and regular reminders from staff of the utmost importance of hand hygiene and coughing/sneezing etiquette.
- Establish policies for personal property being brought to school (e.g., refillable water bottles, school supplies, headphones/earbuds, cell phones, books, etc.). If personal items are brought to school, use will be limited to the item owner.
- No shared school supplies.
- If a student becomes ill at school, he/she will report to the health room for a temperature check. If COVID-19 symptoms are present, the student will be isolated in our health room until the parent, or their parents' designee, arrives to pick them up.
- If another classmate is considered to have been exposed to COVID-19 at school, he/she may be instructed to go home or to the nearest health center. For the purposes of contact tracing, ODE defines exposure as being within 6 ft. of a COVID-19 case for 15 minutes or longer.
- If a student exhibits symptoms that could be COVID-19 related, presents a fever over 100.4 or if anyone in their home or community living spaces has COVID-19, they should contact their medical professional and get tested. Administration is to work under the premise that the student has contracted COVID-19 and may not return to school.
- If the test is positive or if the child is not tested, they must stay home for at least 10 days, and until 72 hours after resolution of their symptoms. If the coronavirus test is negative, or a doctor's note is provided, the child may return 72 hours after resolution of their symptoms (no fever without the use of fever-reducing medications); respiratory symptoms (cough, shortness of breath, etc.) have improved; and local county Department of Health releases the students to return to school safely.
- Create and maintain cohort logs in accordance with ODE guidelines
