The goal of the St. Ignatius Tuition Assistance Program is to ensure access and support to families desiring a Catholic education for their children in the tradition of the Jesuits and the Sisters of the Holy Names of Jesus and Mary. The actual cost of a St. Ignatius education is priceless (approximately \$13,218). Fundraising makes up the gap between tuition charged and actual costs. Family financial need is determined by FACTS and every effort is made to close the gap between need and cost. Each year we will fully utilize all of our tuition aid resources to support students. Your confidentiality is assured. With the support of the Parish, the St. Ignatius School Foundation and generous donors, tuition assistance is available to families seeking assistance in paying tuition.
