Welcome to St. Ignatius School!

Thank you for your interest in joining the St. Ignatius School community of faith. St. Ignatius School provides a Catholic faith-centered education guiding God's children toward building a just and compassionate world. Our students are known, nurtured, and loved by the whole community as we guide them in discovering and developing their gifts and talents. In partnership with parents as the primary educators, we educate the whole child spiritually, academically, physically, and emotionally. We have served children and their families in the traditions of the Jesuits and the Sisters of the Holy Names of Jesus and Mary since 1908.

Together with our Jesuit parish, our school is deeply committed to social and environmental justice and service. In addition to excellent academics that prepare each child for a college preparatory high school, our students are engaged in the arts, technology, and service. St. Ignatius School is fully accredited through the Western Catholic Education Association (WCEA) and the Western Association of Schools and Colleges (WASC).

Thank you for your inquiry. We look forward to welcoming you to our school community in the near future. Please let us know if you have any questions or would like to schedule a tour of our school.

Peace be with you.
